

Quality Policy

ABCD Precision, Inc. is fully committed to continually improve its processes, products and services and maintain its position as leader in the high precision-machined components market.

To accomplish our Quality Mission, we shall pursue attaining the following *Quality Objectives*:

- Provide our customers with superior quality products at competitive prices by manufacturing them in the most efficient manner.
- Add value to our Customers lives by meeting their needs and exceeding their expectations through completely open and effective communication channels.
- Continuously improve our Quality System by ensuring and verifying that our employees' involvement, motivation, and training actually take place throughout our Company.

I fully support and approve this Quality Policy and Objectives as set forth and will provide all the resources necessary for the continual maintenance, evaluation and improvement of this system.
